Sayings of the 2004 Big Sir Tom Robinson

Gentlemen, I would like to thank you for having me as your BIG SIR and express my hope that I will fulfill my duties as well as those who have preceded me. I think that we have formed an excellent team and that the organization will operate like a Rolex watch.

I give special thanks to Carlos and the excellent job that he did last year. I know that I will be calling on him for his compassionate advice when needed. Additional thanks to **Walt Hubrig** for being treasurer for 3 years, **Courtney Borreco** for running the special events, **Dennis Olson** for the greeters and **Sheldon Lawrence** for heading up the fishing group. As you know, we operate completely with volunteers and I had no problem filling the voids that occurred. Branch 116 is one of the better branches in Area 2 and I know that it will continue to grow with pride.

I am looking forward to a very active year. Since it is the 20th anniversary of the formation of Branch 116, we are planning a very special Ladies Day in May to celebrate the occasion. Everyone, get your dancing shoes on for the good times will roll and the roosters will crow.

"You know your children are growing up when they stop asking you where they came from and start refusing to tell you where they are going."

The coming month will be mostly OK, except that you'll learn to pay more attention in the future to the phrase "Careful, filling is hot!."

Special Announcement:

Our Branch Webmaster, Floyd Skelton, has created an online calendar for all the planned Branch 116 activities. It is an excellent product and can be accessed at http://home.att.net/~trampas1/2004_Calendar/. It requires a lot of effort to create this type of site, so lets all give a special thanks to Floyd.

Art Donaldson SUNSHINE REPORT

Very sorry to report that Big Sir **ROBBIE ROBINSON**'s Mom passed away on December 28. Robbie is flying to New York for the services. Our condolences, Robbie.

ART HIRSCH has been diagnosed with cancer of the right lung. His first indication of a problem was last month in Stanford Stadium at the Notre Dame game. He walked up to the top of stadium and experienced severe shortness of breath. Early next year he will meet with doctors to determine what course of chemotherapy is required.

DICK SOCOLICH was on the 12th hole at Tilden after a rain when his golf cart lost traction while climbing a path and began to slide inexorably towards a 30 foot ravine. Dick made a split second decision to abandon the golf cart, but as he jumped, his leg caught on the steering wheel and turned the cart 180 degrees causing it to run over his left calf. Dick sustained deep tissue bruises, but fortunately nothing was broken. He was on crutches for two weeks and now walks with a cane, which he hopes to be done with by our January luncheon meeting. The cart ended up with the two front wheels over the ravine! Dick reports that he did finish the 12th hole with a Bogey and shot Par on the 13th before the pain in his calf became too intense for him to continue!

BOB KINSER had carpal tunnel surgery on his right index finger on December 30. Unfortunately Bob is a veteran of carpal tunnel surgery but the good news is that this time it was done on an outpatient basis. Bob will be back on the golf course as soon as he can grip the club!

Please let Art Donaldson (dnldsn@earthlink.net or 934-8391) know of any Sunshine concerns.

Pat Richie

Speaker for January 19, 2004 Meeting "Walk the Talk"

From 1981 until 1998 he was the 49'ers, San Francisco Giants and the San Jose Sharks team chaplain.

Three times the 49'ers awarded Pat with Superbowl rings; after Superbowls XXIII, XXIV, XXIX (23, 24, and 29).

Currently Pat is the Bay Area Director of Development for the international relief agency Northwest Medical Teams, where he now oversees development, volunteer recruitment and outreach activities that reach desperately impoverished children across the world with volunteer doctors, nurses and Para-medics.

The proud father of three children and the happy husband of one wife, Nicolette, to whom he's been married for 24 years. We are pleased to welcome our January Speaker, Pat Richie.

Our Luncheon Greeters for January are Jerry Hicks, Harry Honstein, and Frank Bryant

A Taxing Matter

A little boy wanted \$100, badly and prayed for two weeks but nothing happened. Then he decided to write a letter to the Lord requesting the \$100.

When the postal authorities received the letter addressed to the Lord, USA, they decided to send it to President Bush. The President was so impressed, touched, and amused that he instructed his secretary to send the little boy a \$5.00 bill. President Bush thought this would appear to be a lot of money to a little boy. The little boy was delighted with the \$5.00 and sat down to write a thank-you note to the Lord. It said:

Dear Lord,

Thank you very much for sending me the money. However, I noticed that for some reason you had to send it through Washington, DC and as usual, those jerks deducted \$95.

Regular members missing 3 consecutive meetings without notifying their attendance chairman or attending less than 7 meetings within the last 12 months, shall be notified by form letter of their membership termination. Certification of attendance at another Branch meeting will be considered a credit to the attendance record. (Maximum of 2 visits per calendar year).

Bridge

We had our first December meeting at the Alamo Women's Club where the winners were **Milt Greenstein, Bill Sullivan, Rich Bamberger**, with **Jim Nachtweih** and **Jai Yee** tied for fifth. Slams were made by **Warren Westrup/Lee Travis**, and **Jai Yee/Jack Dodson**.

At the final meeting of the year, the winners were **Jai Yee, Ali Aghaiepour, Fred Massaro, Ken Harold**, and **Milt Greenstein**. Two slams were made by **Jai Yee /Art Donaldson** while **Fred Massaro**, made a slam with both **Bob Lake** and **Terry Thomas**.

A season award was given to **Warren Westrup** for having the highest accumulative score of the year. This was the second time that Warren has clinched this honor, and this first time we have had a repeat winner of this award.

The Branch 116 Duplicate Bridge Group results for our December 2nd session were: 1st, **Floyd Skelton**, 63%, 2nd: **Terry Thomas**, 61% and 3rd (tie) **Gene Gould & Paul Floyd**, 57%.

Our Duplicate Group plays on the first Tuesday of the month at the Bridge Center in Pleasant Hill, 9:30 am for a bridge lesson, with play starting promptly at 10:00 a.m. We usually have 3-5 tables and if you would like to join us please call **Floyd Skelton** at (925) 838-2515 or sign up at our monthly, luncheon bridge sessions on the 2nd and 4th Tuesdays at Roundhill and Diablo Country Clubs.

Special thanks to **David Geary** and **Conrad Robertson** for their major contributions in 2003, including lessons, scoring and tournament direction.

**Terry Miller****Area 2 Fishing Report for December, 2003**

The Group finished the year on December 18th with a Christmas Breakfast at the Legends Grill in Concord. There was only limited talk about fish being caught, the principal one of which had to do with the huge steelhead that **Tom Hensley** conquered in the Upper Sacramento. Those who saw it claimed he could hardly hold it up out of the water. Had to take their word -- no pictures!!!! **Bill Hooy** reported on a trip to Walnut Creek (no the Creek that runs through Concord), where there are 25# and up king salmon for the catching and releasing. He reported that the youngsters fishing there are pulling in fish every other cast with light gear. The waters truly boil, when the (barbless) hook sinks into a fish. Great fight and fun to see. But note, the Game Warden is there to make sure there is no bending of the rules. So, wear your license and have the required barbless hooks.

The auction of gear at the November meeting netted \$106, a nice addition to the Treasury. The December meeting dealt with election of new officers for the 2004 year. **Bill Hooy** was elected the Big Fish; **Tom Hensley** the Secretary-Treasurer; and **Ed Dijkman** the Outdoor Calendar guy. **Rich Bal**, who has led the Group as Big Fish, was properly recognized as having done a superb job. We went more places and had more members participate than ever before. And, it was all due to Rich's ingenuity and leadership. Thanks again, Rich. Of course, the Club had to recognize our newest mechanical member, **George Schulze**, for his hip replacement. He is walking mostly without a cane (and only post surgery about a month). We fishermen are really tough guys! Good going, George.

Events being planned for 2004 include trips to the International Sportsmen's Exposition (Sacramento January 15th), Sam Mateo (January 31) and Pleasanton (February 26th). Members are encouraged to attend one of these, at least, to get the low-down on the latest gear, trips and boats. February 19th is the Group's planned Day at the Races at Golden Gate Fields in Albany. This will be a day of fun and heart-pounding intensity, enjoying live horse racing, a delicious meal at the exclusive Turf Club, free parking, admission and reserved seating (under cover), a complimentary racing program, and, depending upon availability, the opportunity for a race named in honor of our Group - all for only \$25 per person. **Bob Olson** is coordinating this outing, and he can be reached at (925) 933-0576 or by e-mail at RCOlson2432 @msn.com.

You can get involved in our Fishing Group by coming to one of our meetings. We normally meet the 4th Thursday of every month at the Legends Sports Bar and Grill at the Diablo Creek Golf Course, 4050 Port Chicago Highway in Concord commencing at 8:30 a.m. For further information please contact **Bill Hooy** (2004 Big Fish) at 686-2627, or **Terry Miller**, Branch 116 Fishing Coordinator at 686-9298. All SIR members and guests are welcome and, indeed, encouraged to participate in the fishing trips as well as attend our monthly meetings.

Handicap & Scoring**Jed Daniel****David Harris****Old Golf Jokes:**

A woman goes to the local newspaper office to see that the obituary for her recently deceased husband is published. The obit editor informs her that there is a charge of 50 cents per word.

She pauses, reflects, and then she says, well then, let it read "Fred Brown died."

Amused at the woman's thrift, the editor tells her that there is a seven-word minimum for all obituaries. She thinks it over and in a few seconds says, "In that case...let it read, "Fred Brown died: golf clubs for sale."

The bride came down the aisle and when she reached the altar, the groom was standing there with his golf bag and clubs at his side.

She said: "What are your golf clubs doing here"?

He looked her right in the eye....and said, "This isn't going to take all day, is it?"

A Fish Story:

A man was stopped by a game-warden in a State Park recently with two buckets of fish leaving a lake well known for its fishing.

The game warden asked the man, "Do you have a license to catch those fish?"

The man replied to the game warden, "No, sir. These are my pet fish."

"Pet fish?!" the warden replied.

"Yes, sir. Every night I take these here fish down to the lake and let them swim around for a while. I whistle and they jump back into their buckets, and I take em home."

"That's a bunch of hooley! Fish can't do that!"

The man looked at the game warden for a moment, and then said, "Here, I'll show you. It really works."

"O.K. I've GOT to see this!" The game warden was curious.

The man poured the fish in to the river and stood and waited. After several minutes, the game warden turned to the man and said, "Well?"

"Well, what?" the man responded.

"When are you going to call them back?" the game warden prompted.

"Call who back?" the man asked.

"The FISH"

"What fish?" the man asked.
