Sayings of 2005 Big Sir, Ron Domer

Many thanks to **Bill McCord** for his efforts in planning the Spring Party held on May 18th at Blakes. We had a good turnout with over 170 paid (there were a few no shows due to the Flu – don't forget to bring a note from your doctor). Music and food were great and there was a lot of dancing and good conversation. I also want to thank **John Story** and **Frank Crua** who assisted Bill. Don't forget to mark your calendar for the **Christmas Party on December 7th** at Blakes.

We had a great day of golf at Poppy Hills on May 10th. It was the first time I can remember seeing the sun while playing golf in the Carmel/Monterrey area. We had beautiful weather and a good turnout. Many thanks to **Tom Robinson, David Geary, Davy Harris** and all the others who make our golf club such a success. I don't play Bridge with the SIR Bridge Club but understand it is also very successful. Thanks to **Milt Greenstein** and the others who lead the group.

For those of you who use the Branch 116 websites for golf information, etc., please note the new website addresses shown on Page 5 of this Newsletter!

We are coming up on six months into our club year. I must be having fun because it sure is goin' by mighty fast. Here are a few more Tennessee colloquialisms:

Cheer: A piece of furniture used for sitting. "Pull up a cheer and take a pull on this here jug."

Lag: A support. "I'm tard of sittin' on this damn cheer with only three lags!"

Hale: The nether region, the opposite of Heaven. "That Bob is mean. I tell you that boy'd cross Hale on a rotten rail!"

Flare: The colorful end of some plant stems, usually with several petals. "I was gonna' give Maw some purty flares for our anniversary but I got her a new wringer for the warsher instead."

Guest Speaker for June

Joe Roebuck

Our June 20 luncheon speaker will be Joe Roebuck. The subject of his talk will be "Silicon Valley Lessons".

Joe is a graduate of Cornell with an BA in Liberal Arts.

He served 4 years as a Naval Officer in U. S. Navy. He spent three years as an Account Executive in the Wall St. Office of Merrill Lynch. He left Merrill Lynch to enter the computer business with Honeywell Information Systems. Started as a salesman in New York City and left in 1980 as Vice president of Sales for the Western United States in San Francisco.

He joined Apple Computer in 1980 as Director of Market Development. Over a three year period, drove Apple to number 1 in education market and helped grow the company from \$48 million to over \$1.5 billion in sales.

He joined Osborne Computer as Vice President of Marketing in 1983 as part of a team to take the Company public. Left four months later when Osborne went into bankruptcy (Learned a lot!).

He joined Sun Microsystems as Vice President of Sales for U.S. and Asia in 1983. Retired from Sun In 2000 as Vice President of Worldwide Sales. During that period, built sales from 8.9 million to 18.9 billion, and increased the sales staff from 10 people to over 10,000 people worldwide. Also opened the China market for Sun, and started "Evenings at the White House " web broadcasts for President and Hillary Clinton. Was major player in building Sun into a large Fortune 500 company .

Joe is currently retired, serving as an advisor to Arcot Systems, Net Continuum and Liquid Computing. He is also appearing in theater productions in the Bay Area, including The Willows Theatre in Concord and the Center for the Performing Arts in Walnut Creek.

Guess which Branch 116 SIR is a Theater Performer!

The Glacier Guild of the John Muir Medical Center Auxiliary held a Mystery Theater presentation on April 15 at the San Ramon Community Center for about 200 guests. Our very own **Ben Smith** played Sam Slayed in Penny Warner's "Murder in the Library."

Area 2 Fishing Report

Dick Thomson

Lots to talk about this month. April 10-15, seven members of our group went to Collins Lake near Marysville for trout. Branch 8's **Richard Bal** was the Fishmaster. All participants did well and had a great time. But, no records as to fish caught. Tom Hensley of Branch 8 was the heavyweight as far as those catching were concerned. In the very first week of May, six of our members went to McSwain/McClure Reservoir in the foothills near Snelling. This was a trip for real "hairy chested men", who weren't afraid to sleep on the ground and otherwise rough it. This time they really hit it big!!! In the four days they were there they caught 60 good sized trout. Most ranged from 14 – 16 inches; some were 18 inches. **Tom Hensley**, as usual, was the winner on weight. But, all had plenty to bring home and brag about. Way to go guys!!!

Tom Hensley's "Newby" program took another step forward on May 5, with two of our members taking out **Bill Mohair**, Branch 8 member in waiting, for a fishing trip to San Pablo Reservoir. They caught two "crappie" (panfish with lots of bones) but no trout. Tom was out there that same afternoon with two of his grandsons. The boys had a bit better luck, catching some trout, but, all had a great time and hopefully learned some tricks for the next trip(s).

The Fishing Group had its annual "Day at the Races" at Golden Gate Fields on May 12. **Bob Olson** (Branch 116) was the Fishmaster and did a bang-up job. Some 32 members and their wives attended to watch the races from the spectacular Turf Club. The Track, of course, served an exceptional, complementary buffet, with choices of mexican, fish and roast beef. Lots of chocolate cake and other deserts for those so inclined (and most were so inclined). The weather was perfect, track was fast and the pari-mutual vendors happy to take your money. From what appears, there were more winners than losers, so much to look forward to for next year.

Our "Newbies" and, for that matter, our regular members were treated to a great talk by **Bob Aguilar** of Aguilar Fishing Adventures, a guide at Eagle Lake and Almanor, at our last regular meeting (April 23) on the lures and other techniques needed to be successful at these venues. We're looking forward to additional speakers (e.g. Coast Guard on boat safety,

etc). Remember, if you're not fishing, you're not trying.

As far as the calendar for the next 3 months, the Fishing Group still has planned one or more trips to McAvoys (Pittsburg) in the Delta for stripers (as soon as conditions allow); day trips for Newbies to San Pablo Reservoir for trout as conditions permit (**Tom Hensley** is Fishmaster); trip to Pit River for trout but mainly fly fishing, May 15-20 (**Don Mittelsteadt** is Fishmaster); trip to Lake Almanor for trout May 22-27 (**Richard Bal** is Fishmaster); trip to the American River for shad June 1 (**Tom Hensley** is Fishmaster); social for families at Irish Pub June 16 (**Ed Dijkman** and **Bill Hooy** are Fishmasters); trip (fly and lake) to Norden for trout June 20 to 24 (**Tom Hensley** is Fishmaster); trip (fly and lake) to Grass Valley for trout/kokanee July 24 to 28 (**Bill Hooy** is Fishmaster); trip to New Melones Reservoir near Angel's Camp for kokanee August 7-12 (**Al Brunner** is Fishmaster); and Trip to Montana for trout September 12-16 (**John Wall** is Fishmaster). Much more is planned, but this summarizes the next 3 or so months.

If you want to hear more, please come to one of our meetings (the 4th Thursday of the Month) at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meetings start at 8:30 a.m. For further information, please contact **Bill Hooy** (Big Fish)(925-686-2627); **Dick Thomson** (Branch 116 Coordinator)(925-944-1763) or **Terry Miller** (Treasurer/Secretary)(925-686-9298). All SIR members and guests are welcome and, indeed, encouraged, to participate in the fishing trips as well as attend the monthly meetings.

Bridge

Milt Greenstein

The Branch 116 Duplicate Bridge group convened at the Pleasant Hill Bridge Center on April 5 at 9:30 am for a session with 22 players attending. First place was won by the team of **Dick Chaffee/Jai Yee** with 119 points, (62.0 %). Second place went to **Jack Butler/Floyd Skelton** with 58.3 %, and third place to **Dick Schlueter/Paul Weiby** with 51.6 %.

Continued on next page

(Bridge, cont. from page 4)

On the 12th of April, the lunch/bridge group met at Roundhill CC with 35 men gathering. High scorer was **Bill Sullivan** with 6010 points, followed by **Jai Yee** (5270), in third place was **Paul Weiby** (5080). Fourth place was a tie between **Dick Chaffee** and **Bill Andrews** (5060). Small slams were bid and made by **Paul Weiby/Jai Yee**, **Paul Weiby/Bob Anderson**, and **Roy Heidtke/Ben Yeraka**.

On April 26th, 24 men joined in lunch and bridge (we had 10 of our regulars off on a one week bridge cruise to Baja California , arranged by **Ben Yeraka**). **Warren Westrup** was high man with 6640 points, closely challenged by **Jack Butler** with 6500. Third place went to **Dick Chaffee** with 5340, fourth to **Bob Wolf** with 5080, and fifth to **Jim Nachtweih** with 4700. Only one small slam was bid and made today by **Jack Butler/Bob Wolf**.

On April 15th, the Area 2 annual bridge event was held. Branch 116 was well represented with 20 players joining in. Unfortunately, the cards weren't coming our way, and all of our teams finished out of the money. But we had a good time anyway.

Meetings of the Area 2 Computer Users Group are held at the Social Hall of the Walnut Creek United Methodist Church, 1543 Sunnyvale Ave. (off N. Main, one block north of the Treat/Geary/N. Main intersection). Meetings are held the 3rd Thursday of each month from 9:30 to 11:30 a.m. All SIR members are invited to attend these informative sessions.

Our next scheduled meeting will be held June 16th. At this meeting we will follow on to our May presentation on Microsoft's Office XP with a presentation on tips for using Microsoft's Word software program. We'll also have time to talk and hopefully resolve your computer problems and talk about some interesting web sites. For more information please visit our web site which has been relocated to : <http://www.sir-web.org/computer/>.

Preventing Identity Theft

I was signing the receipt for my credit card purchase when the clerk noticed that I had never signed my name on the back of the credit card. She informed me that she could not complete the transaction unless the card was signed.

When I asked why, she explained that it was necessary to compare the signature on the credit card with the signature I just signed on the receipt.

So I signed the credit card in front of her.

She carefully compared that signature to the one I signed on the receipt.

As luck would have it, they matched!

Volunteer Fire Fighters

A fire started in the grasslands close to a farm. The county fire department rushed to the scene, but the fire was more than they could handle. Someone suggested calling the volunteer fire department. Despite some doubt that they would be of any assistance, they were called.

The volunteers arrived in a dilapidated old fire truck. They rumbled straight towards the fire, drove right into the middle of the flames and stopped! The firefighters jumped from the truck and frantically started spraying water in all directions. Soon they had snuffed out the center of the fire only leaving two small parts which were easily put out.

As the farmer watched all this, he was impressed and grateful that his house and farm had been spared. He quickly got his checkbook and donated \$1000 to the volunteer fire department.

A local news reporter asked the volunteer fire captain how they planned to use the funds.

The captain replied, "The first thing we're gonna do is get the damned brakes on our fire truck fixed!"
