## Sayings of 2005 Big Sir, Ron Domer

## November Birthdays

Dateline, Knoxville: This month we celebrate Thanksgiving, a uniquely American holiday. What began as an occasion to celebrate and give thanks for deliverance from hunger and privation in a hostile wilderness has evolved into a time of feasting with family. I hope that each of you has the opportunity to spend the day with family and friends. Let us give thanks for the many blessings that accrue to us from living in this great land.

**When you see these members, wish them a Happy Birthday!**

What follows are some disjointed thoughts and happenings from my nearly five weeks here in Tennessee. I regret missing the October meeting but had no choice. Many of you know that I have a second home here and this month we sold that one and bought another. We actually moved on October 17<sup>th</sup>. So, we have been painting, renovating, cleaning, closing and all the other delightful activities that go with buying and selling. I much prefer the SIR meetings to moving!

Gas prices have dropped from \$3.09 to \$2.53 during our stay. We have been to the Ole Miss and Georgia games and watched the Alabama game on TV. These are grim days for those who wear Orange. Many are the faithful going about in sackcloth and ashes. I personally thought a root canal or sigmoidoscopy would have been more enjoyable than watching the Vols self destruct. However, I plan to be there when they play USC (that's South Carolina to y'all) and give Spurrier his lumps (I hope).

Conversation overheard between two ladies in the checkout line at Fresh Market: "I joined a fitness club and reported for my first aerobics class. Wow, was that strenuous! I bent, twisted, gyrated, jumped up and down and perspired for nearly an hour but by the time I got my leotard on, the class was over."

After playing golf with my Knoxville buddies we were at the Pioneer House having some Mayfield's ice cream. After commiserating about the Georgia game, Rudy allowed as how his wife's birthday was coming up and she had dropped some serious hints for a gift that would go from zero to 175 in less than four seconds. "Well, what are you gonna do, Rudy?" "Why, I'm gonna buy her the best set of bathroom scales they got at Walmart!"

Stop the presses!! Late word from the practice field where the Vols offense was practicing this afternoon. A white powdery substance was found at one end of the field. No one on the team could identify the substance. Later, a forensic team from the College of Engineering identified the substance as the goal line.

## Area 2 Fishing Report

**Dick Thomson**

Lots of fishing going on. On October 1st, five of our members went up to Haps Bait Shop in Rio Vista to attend an all-day fishing seminar on the latest and best techniques for the Delta. The seminar featured 6 one-hour presentations by people who fish most of the year in that locale. In addition to the “best tips” those speaking showed off the latest and best in equipment for the 2006 season. The hot new lures are always on the “to purchase” list, and **Craig Walton** came home with a new custom rod for his collection. Great day, and even the polish dogs for lunch were top notch.

On October 6th **Ed Dijkman** and **Joe Maurino** went out of the Gate on the “Dandy”(a “six pack”) for salmon and tried to repeat the successes of past trips. The day before and the day after everyone had limits, but this day netted only 2 fish for the whole Emeryville fleet (that is 7 boats). Wow!!!! Expensive lesson, but you have to understand the name of the game is “fishing” not “catching”.

Since the Haps Seminar, **Craig Walton** and others of our Area 2 members have been making day trips to the Delta for salmon and stripers. The first of these was a great boat ride. But, on October 7th **Craig** hit two nice salmon (a 17# and 19#) and a further salmon was also taken. Lots of fresh fish in the freezer.

The big trip for the month was, of course, to Eagle Lake. Sixteen of our Area 2 Fishermen went on this trip. On October 17 we went for a week to Spaulding on the West shore of the Lake. The weather was really cold in the morning but warmed up during the day. The food was great as prepared by each of our home-grown chefs to suit the most sensitive palate. Stories were, as usual, lots of fun. The fishing is always good, given the size of the fish we are after, 2-4 pounds is the norm. Many stories to tell, including **Bill Hooy’s** boat that started to sink at the dock; about **Ed Dijkman** being the king of the “untangles” (starts with a set of tangled lines and slowly and methodically winds them apart without cuts, etc, a miracle); and “Hot pants” **Paul DuBow**, who accidentally burned a 10 inch hole in the leg of his pants while fishing on the guide boat but continued to fish even with a 2nd degree burn on his leg. Despite these

(member 84) “ripples on the pond”, the time at Eagle Lake was great and the Fishing Group will undoubtedly be back for much more next year.

The rest of the month will be consumed with day fishing in the Delta for salmon and stripers. They should be out in force and lots of big ones to be had. The boats are already out there and almost stretch from bank to bank in the rivers. Should be lots of success to report later.

As far as the calendar for the next 3 months, the Fishing Group will be taking multiple day trips to the Delta for salmon and stripers to end up the year. There may be trips to Oregon and up the Feather River, but these are dependent upon the water levels (which have been really down, particularly in Oregon). Then, we are off into 2006, with trips to the Outdoor Shows in January and back on the water as soon as the snow and ice allows.

If you want to hear more, please attend one of our meetings (meets on the 4th Thursday of the Month) at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meetings start at 8:30 a.m. For further information, please contact **Bill Hooy** (Big Fish)(925-686-2627), **Dick Thomson** (Branch 116 Coordinator) (925-785-7600) or **Terry Miller** (Treasurer/Secretary)(925-686-9298). All SIR members and guests are welcome and, indeed, encouraged, to participate in the fishing trips as well as attend the monthly meetings.

## Guest Speaker for November

## Margaret Peters

Our speaker for November will be Margaret Peters.

Margaret was invited in 1987 to design an entire Christmas tree for the Smithsonian, which would go into the permanent collection. This was a real thrill and honor for Margaret who had long been known for her patriotism and love for America. An angel ornament that was designed for the tree came to the attention of the Reagan's and the Bush's who both requested ornaments from her. That was the beginning of a story that changed her life forever.

Since that time she has traveled all over the USA sharing her heart-warming story. She sparkles with pride as she tells her story at military bases, schools, historical societies, etc. She is sure to make you laugh when she talks about some of her experiences at the White House and why she is a lifetime visitor there.

Another aspect of Margaret's life is that her husband was a NFL player for 10 years and she will also talk about that.

Along the way, Margaret was encouraged by loved ones to "reach for your star," an expression she used over and over while raising her four children and encouraging others to do the same.

Margaret comes to us highly recommended by those that have heard her presentation.

**Our guest speaker at the October luncheon was Rod Santos, co-owner of the Wine Thieves stores.**

### Almost True Story

Two boys are playing in a park in a small town in Alabama when one of the boys is suddenly attacked by a crazed Rottweiler.

Thinking quickly, the other boy takes a stick and shoves it under the dog's collar, twists it, and breaks the dog's neck, thus saving his friend.

A newspaper reporter who was strolling by sees the incident and rushes over to interview the boy. He tells the boy he's going to write the story and title it 'Young Bama Fan Saves Friend From Vicious Animal.'

"But I'm not a Bama fan," the little hero replies.

"Sorry, says the reporter and he starts writing again. He asks 'How does Auburn Fan Rescues Friend From Horrific Attack' sound?"

"I'm not an Auburn fan either," the boy says.

Oh, I thought everyone in Alabama was either for the Tide or the Tigers. What team do you root for?" the reporter asks.

"I'm just visiting my cousin -- I'm a Tennessee Vols fan," said the boy.

The reporter smiles and writes in his notebook, "Little Redneck Bastard From Tennessee Kills Beloved Family Pet".
