A Nonprofit Public Benefit Organization for Retired Men Devoted to the Promotion of Independence and Dignity of Retirement.

Sayings of 2005 Big Sir, Ron Damer

I attended the state meeting of the Sons in Retirement in Vallejo on August 1st. Every branch was represented, most by their Big SIR. All the state, area and regional officers were present as well. We filled a large room. It was a chance for me to meet most of the Big SIR's in our Area. The biggest topic was the decline in statewide membership. Over the past two years membership has declined by nearly 1,700 (from 25,407 to 23,745). Aside from the obvious negatives of declining membership, the pro rata share of state expenses for branches will need to be increased at some point. Most of the discussion was about how to combat the loss. Our Area is one of the few that shows an increase. Branch 116 has held steady for some time. A couple of branches in our area have long waiting lists and have meeting and parking facilities that would allow an increase in membership. They are considering this option. No explanations were given as to why membership is declining statewide.

On the lighter side: In a fifth grade class in Dayton, Tennessee a teacher was quizzing her students on the Declaration of Independence. She asked Lonnie to name who signed the Declaration. Lonnie, a little older than the others, said, "Damned if I know." The teacher was taken aback by Lonnie's swearing, so she sent him home with instructions to bring his father to class the next day. Next day Lonnie and his dad showed up. Lonnie's father sat in the back of the class to observe. The teacher looked at Lonnie, "Lonnie, I'll ask you again: Who signed the Declaration of Independence?" "Well, Hell, teacher, I told you I didn't know." Lonnie's father jumped to his feet and pointed sternly at Lonnie, "Lonnie, if you signed that thing, you'd better own up to it or I'll wear out a limb on you!"

MORE TENNESSEE COLLOQUIALISMS:

Dierear: A looseness of the bowels. "Damn, Lukie, we got to quit addin' that lye to the mash. I've had dierear for a week now."

Borry: To take loan of something. "I tell you, Maw, when cousin Bob was a baby he was so ugly his Maw used to borry another baby to take to church."

Congenital: Friendly, amiable. "You know, May, Lukie's mighty quiet out at the still, but you get that boy in a crowd and he's plumb congenital."

Yale: Shout. "Damn, Maw, you shoulda heard that Lukie yale when them revenooer's bullets started flyin' 'round."

See you a the meetin',

Ron Damer

Attendance

Jim Nachtweih

Attendance at the August 15th meeting totaled 193 persons. This includes 184 members, 1 speaker, and 8 guests. There were 49 excused members, and 25 unexcused members. The unexcused members will be asked to pay for their missed lunch.

Guest Speaker for September

John Sasaki

Our speaker at our September 19 Luncheon will be John Sasaki, KTVU Channel 2 News team member.

John has deep roots in the Bay Area. He was born in Berkeley, spent most of his childhood in El Cerrito and attended Berkeley High School. After graduation, he attended San Diego State University. During one summer vacation, John began his journalism as an intern for "The Ten O'clock News" on Channel 2. He also interned at CNN in Washington, D. C. and at KGVU San Diego's ABC affiliate. He graduated from San Diego State with a Bachelor's degree in psychology.

John landed his first job in news as an associate producer at KNSD, the NBC affiliate in San Diego. He first stepped in front of a camera for Yuma, Arizona's NBC affiliate, KYMA. His stay there was short, and he was lucky enough to miss the 120-degree summer weather.

John moved to Reno, Nevada as weekend anchor and weekday reporter at KTVN, the local CBS affiliate. In Sept. of 1996, he moved home to the Bay Area to join the Fox 2 news team at KTVU. And this, he says, is where he plans to spend the rest of his career.

John says he has experienced countless unforgettable things in his career, including major wildland fires, championship sporting events, and executive producer tirades. Some of his most memorable stories were upsetting, some inspiring, some terrifying, but also exciting.

John is a member of the National Academy of Television Arts and Sciences, and in the course of his career, he's garnered several Associated Press awards for excellence in journalism. He lives in Pleasant Hill and in his spare time, you can find him working with a host of charity organizations including the Leukemia Society, the Muscular Dystrophy Association, the Children's Garden, and many others. He also spends a lot of time outdoors, playing tennis, golf, and downhill skiing.

John will be talking to us on what it's like to be a newscaster in the Bay Area.

Area 2 Fishing Report

Dick Thomson

Lots to report this month. Branch 8's **Bob** (nuts about salmon fishing) **Stein** led a six-pack trip on the Danny out of Emeryville for deep sea fishing for salmon on July 20. Along with Bob were three Branch 8 members and Branch 116 member, **Terry Miller**. The weather was overcast and the water flat as a pancake. We fished off Duxbury Reef and Bolinas and picked up a full limit of beautiful 12 to 20 pound salmon for the boat. These made for great eating (especially that same night, when we were able to put day-fresh salmon on the table for the family). What a treat! We will do that again.

Four of our members went up to the Hooy cabin near Grass Valley for trout fishing in the nearby lakes between July 24 and 28th. We fished Fuller Lake (in past years a hot spot) but filled this year with very finicky trout. **Craig Walton** had the hot lure (a fly by J-Phair), though, and caught 9 nice ones. The rest of us caught a few fish and helped Craig with potential limit problems by eating 6. We also explored Lake Valley and Spaulding Reservoirs (off highway 80 near Emigrant Gap). Beautiful lakes, but not very productive (caught only a couple of catfish). In all, the trip was a great success, capped by a great Italian dinner in Nevada City.

Five of our members went up to New Melones reservoir (near Angel's Camp) for 4 days of Kokanee fishing between August 7 to 12. The weather was really hot (102 degrees plus) and the fish were really deep (85 to 90,). Here again, **Craig Walton** was the star; boating 7 of the 20 fish (biggest 18") caught on this foray. Pizza, fish fry and Chinese dinners rounded out the menu. Here again, lots of fun and we will be back next year.

Rich Bal led his second trip to British Columbia in late July. Along with Rich were 4 fishing group members and 3 guests. The scenery was great and fishing extraordinary. Some of the salmon were in the 50 to 70 pound range. Everyone brought back in excess of 50 pounds of salmon and halibut. They plan to return next year.

Rich Bal and **Bob Stein** took another six-pack trip out of the Gate on August 16th for salmon. The boat limited with 12 fish. More importantly, Rich caught both a 26 and 32 pounder.

This is the calendar for the next 3 months. The Fishing Group still has planned one or more trips to McAvoy's (Pittsburgh) in the Delta for stripers (as soon as conditions allow); day trips for Newbies to San Pablo Reservoir for trout as conditions permit (**Tom Hensley** is Fishmaster); trip to Collins Lake for trout and bass (date is open but **Rich Bal** is fishmaster); Trip to Montana for trout September 12-16 (**John Wall** is Fishmaster); Haps Fishing Seminar at Rio Vista in September (date and fishmaster to be announced); trip to Vieras in the Delta for salmon/stripers (date is open but **Terry Miller** is fishmaster); trips on party boat for salmon in the Bay or out the Gate (dates open but **Ed Dijkman** is fishmaster); trip to Eagle Lake for trout October 17-24 (**Rich Bal** is fishmaster); trip for salmon in Oregon in mid-October (date open but **Ed Dijkman** is fishmaster); and trip to the Sacramento/Feather River for salmon (date is open but **Rich Bal** is fishmaster). Much more is planned, but this summarizes the next 3 months.

If you want to hear more, please come to one of our meetings (held on the 4th Thursday of the Month) at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meetings start at 8:30 a.m. For further information, please contact **Bill Hooy** (Big Fish)(925-686-2627); **Dick Thomson** (Branch 116 Coordinator) (925-785-7600) or **Terry Miller** (Treasurer/Secretary)(925-686-9298). All SIR members and guests are welcome and, indeed, encouraged, to participate in the fishing trips as well as attend the monthly meetings.

Love Them Vols

One Saturday afternoon during the football season, a man walked into a sports bar in Knoxville with his dog.

"Dogs aren't allowed in here!" the bartender exclaimed. But the man insisted that his dog was a Vols dog and that he just wanted to watch the game. The bartender allowed the man to let the dog in the bar, but only if he behaved. So the man sat down with his dog and had a beer as they watched the game.

By and by the Vols get into field goal range and they kicked a field goal. The dog goes crazy: He jumps all around, slapping high fives, cheering, and barking the Vols fight song. The bartender says, "Hey, that's really great! What does he do when they get a touchdown?"

To which the man replies, "I don't know, I've only had him for three years."
