Sayings of 2006 Big Sir, Jerry Hunter

With spring officially here, it appears as though we are having a late winter. Have you ever seen so much rain in this area before? I guess you haven't, since it's a new record, at least for this time of the year. The only things that are good about this much rain is that my water bill is down, my golf budget is intact and it might be a vintage wine year.

I have been asked to address a couple of subjects that are near and dear to all of our hearts, so gentlemen, here we go!

Gentlemen, we need your cooperation. We're hearing complaints regarding the lack of enough seats at our luncheons. It has been pointed out to me, and I have seen it, that people have requested that additional tables be set up to provide enough seating. Actually this should not be necessary. There are enough seats provided at the time of setup, but there are more seats reserved than there are people attending. Each of you that are members of groups that assign a person to put out your name tags must communicate with that person if you are not going to be in attendance. Too many of the groups do not know who is not going to be in attendance until they become no-shows for the reserved seats at the table. **THAT'S TOO LATE AND UNFAIR TO THOSE THAT ARE IN ATTENDANCE.** This is after we have all tried to find seats to sit down and at that time there are not enough to go around because of all of those extra reserved seats. Some of our members, particularly newer members are getting very discouraged when trying to find seating.

PLEASE gentlemen, meet with your groups and set up communication procedures that will inform the person in charge of putting out the tags of who will and will not be there before the day of the luncheon. I know that we all like to sit with our buddies and have developed procedures to assure that happens, however it seems that some of those procedures may need tweaking. As an example, I talked with one person that didn't know most of the time who was putting out the tags. It seemed to rotate through about 15 different people and he didn't know who was doing it, unless it was his turn. As a result he stated that he wouldn't know who to call even if he wanted to let someone know he wouldn't be there. Short of coming up with your own group plan, something as simple as the following may work for everyone:

WE REALLY NEED EACH ONE OF YOU TO TAKE THE RESPONSIBILITY TO LET SOMEONE IN YOUR GROUP KNOW IF YOU ARE NOT GOING TO BE AT THE LUNCHEON. ASK THEM TO PLEASE SEE THAT THERE IS NOT A PLACE RESERVED FOR YOU AT THE TABLE.

If everyone would just do the above, our problem would be solved. It's that simple!

The second subject is the fact that our luncheons are scheduled to begin at 11:45 AM with the Pledge of Allegiance. This means that you should be in your seats, ready to go by 11:45. I mention this because a couple of new members were under the impression that the luncheons started at 12:00 and some of our older members act like they may have forgotten. I know that feeling! Member 105.

O.K. Guys, enough of this, I think you get the picture. So again, just please help us out. See you April 17.

Area 2 Fishing Report

Dick Thomson

The news has been bad on the weather front from late February to mid-March and beyond. Also, the tales from even the bait shops are of slow fishing and waters frozen over and/or clogged with debris. So, our fishermen have been mending nets, painting and otherwise maintaining boats and testing electronic gear for the up-coming season. But, gee whiz, won't it ever get here???? The key may lie in an often-heard truism, i.e. "When March comes in like a lion, it goes out like a lamb". March sure came in strong and, hopefully, the spring-like days will soon be with us.

The Fishing Group elected new officers in January. **Terry Miller** from Branch 116 took over from Branch 8's **Bill Hooy** and **Romano Gnusti** took over as Treasurer/Secretary. Things are in still in good hands.

As far as the next three months of the year, the Fishing Group has plans for trip(s) out of McAvoy's to the Delta for stripers (as conditions permit - **Sal Costanza** is Fishmaster); day trips to San Pablo Reservoir (March and April to be arranged between members as conditions permit); day trips to the Delta for stripers and sturgeon (March and April - to be arranged between members as conditions permit); fishing seminar at Glory Hole Sports at Angel's Camp (April 8 - **Al Brunner** is Fishmaster); trip to Collins Lake (near Marysville)

for trout (April 2-7, **Ed Dijkman** is Fishmaster); possible trip to Clear Lake/Berryessa for bass (April, date to be set later - **Harold Knudson** is Fishmaster); Day at the Races at Golden Gate Fields (April 20 - **Bob Olson** is Fishmaster); trip to McSwain/McClure Reservoirs for trout (May 1-5, **Al Brunner** is Fishmaster); fly fishing trip to Pit River for trout (May 7-12 - **Don Mittelsteadt** is Fishmaster); trip to Lake Almanor for trout (May 21-26 - **Craig Walton/Joe Karg** are Fishmasters); fly fishing trip to the Lower Sacramento River for trout (June 11-18 - **Pete Gates** is Fishmaster); social for families at the Irish Pub (June 14 - **Bill Hooy/Ed Dijkman** are Fishmasters); and trip to Soda Springs for trout (June 19-23 - **Tom Hensley** is Fishmaster). There's much more to come, so "if you're not fishing you're not trying".

If you want to hear more, please attend one of our meetings (on the 4th Thursday of the Month) at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meetings start at 8:30 a.m. For further information, please contact **Terry Miller** (Big Fish)(925-686-9298); **Dick Thomson** (Branch 116 Coordinator)(925-785-7600) or **Romano Gnusti** (Treasurer/Secretary)(925-376-3313). All SIR members and guests are welcome and, indeed, encouraged, to participate in the fishing trips as well as attend the monthly meetings.
