A Nonprofit Public Benefit Organization for Retired Men Devoted to the Promotion of Independence and Dignity of Retirement.

Sayings of 2006 Big Sir, Jerry Hunter

When you read this I will probably be about midway through my stay in Alohaland. I also by then will no doubt have had the opportunity to display my full repertoire of golf shots which range from very occasional triumph to comic to ridiculous. Even with that it is still good to get away and have fun.

We made it through our first meeting with our new Big SIR. The luncheon meeting had the largest number of attendees ever (218). That made me feel really good about the job the officers and directors have done and are doing. We announced at the meeting the dates of May 17 for the Spring Party and Dec. 13 for the Christmas Party. Please mark your calendars and save the dates. They will both be held at Blake's at Boundary Oak. Everyone that I talked to that attended last year expressed their great enjoyment of both events.

We all know that SIR is a really neat and fun organization to belong to. However, I've also found out that it is sometimes even more fun to participate as an officer, director or committee member. Every thing we do is the result of great guys volunteering their time and effort to making the organization and activities enjoyable for the rest of us. I encourage all of you to get involved if you have any desire at all to do so. You will find it a rewarding experience.

This year several of our committee chairman have indicated that this will be their last year in those positions. As we go through the year our new Nominating Committee of Ron Domer, Chairman with Carlos Xavier and Courtney Borrecco as members will be searching for candidates to fill those positions. If you desire to be considered for openings please let them know.

February is a very important in our history containing Washington's birthday, Lincoln's birthday, my wife's birthday and Valentine's day. The latter two are one day apart which in my much younger days led me into learning a very big lesson. Looking at it from what I suppose was somewhat of a male point of view but what I thought was a logical point of view, I reasoned, why not just combine them into one celebration and therefore one nice gift to cover both. Huge Mistake! We now always have two separate and distinct celebrations and well defined separate gifts for both days. Peace has been restored. Just another of my many lessons of life learned the hard way.

Happy Valentines Day to all of our ladies.

See you on February 20. Aloha

Jerry Hunter

Area 2 Fishing Report

Dick Thomson

The year started off with a bang with 10 Fishermen going on January 19th to the International Sportsmen's Exposition at the State Fairgrounds in Sacramento. Lots of hunting exhibits, a whole building devoted to fly fishing, the usual booths for trips and excursions and the biggest display of boats thus far. Big boats, small boats and lots in between. Just walking around the fairgrounds was exhausting, and the "deals" available would turn anyone's mind. Lots of fun and definitely a trip for next year as well.

Craig Walton reported on at least two trips to the Delta for sturgeon. The first, to the Sacramento River side of Sherman Lake, produced lots of logs, junk in the water and muddy brown water. He had a couple of hits on pile worms, but nothing to put in the boat. The second, on January 18th had much the same result, as conditions are impossible for catching ("fishing" you can do any time). He will be out at least once more before the end of January. Most other members are sitting by the fire. That will change, of course, when the reports come in of some "catching".

As for the next three months of the year, the Fishing Group has plans for trips out of McAvoy's to the Delta for stripers (as conditions permit - Sal Costanza as Fishmaster); day trips to San Pablo Reservoir (to be arranged between members as conditions permit); day trips to the Delta for stripers and sturgeon (February and March, to be arranged between members as conditions permit); fishing seminar at Glory Hole Sports at Angel's Camp (April date to be determined); trip to Collins Lake (near Marysville) for trout (April 9-14 with **Ed Dijkman** as Fishmaster); possible trip to Clear Lake/Berryessa for bass (April - date to be set later, **Harold Knudson** as Fishmaster); fishing seminar at Fisherman's Friend Sports in Lodi (April date to be determined); trip to McSwain/McClure Reservoirs for trout (May 1-5, **Al Brunner** as Fishmaster); Day at the Races at Golden Gate Fields (April 20, **Bob Olson** as Fishmaster); possible fly fishing trip to Pit River for trout (date to be set later, **Don Mittelsteadt** as Fishmaster); and trip to Lake Almanor for trout (May 22-27 (**Craig Walton/Joe Karg** as Fishmasters). There's much more to come, so "if you're not fishing you're not trying."

If you want to hear more, please attend one of our monthly meetings on the 4th Thursday of the Month, at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meetings start at 8:30 a.m. For further information, please contact **Bill Hooy** (Big Fish)(925-686-2627); **Dick Thomson** (Branch 116 Coordinator) (925-785-7600) or **Terry Miller** (Treasurer/Secretary)(925-686-9298). All SIR members and guests are welcome and, indeed, encouraged, to participate in the fishing trips as well as attend the monthly meetings.

Branch 116 Spring Party!

SIR Bill McCord has set Wednesday, May 17, as the date for the 2006 Spring Party. Mark your calendars now since it promises to be a really fun event.

Humorous Story Submitted by Dirk Meyer

An 80 year old woman was arrested for shop lifting.

When she went before the judge he asked her, "What did you steal?"

She replied: "A can of peaches."

The judge asked her why she had stolen them and she replied that she needed them for a recipe she was making.

The judge then asked her how many peaches were in the can. She replied "Six."

The judge then said, "I will give you 6 days in jail."

Before the judge could finish pronouncing the punishment, the woman's husband spoke up and asked the judge if he could say something.

The judge said, "What is it?"

The husband said "She also stole a can of peas."

A man and his wife were sitting in the living room and he said to her, "Just so you know, I never want to live in a vegetative state, dependent on some machine and fluids from a bottle. If that ever happens, just pull the plug."

His wife got up, unplugged the TV and threw out all of his beer!

First Meeting of Newly Formed Digital Photography Group had Record Attendance

As a subgroup of the Computer User Group, we have formed a Digital Photography Group that will meet quarterly. We held the first meeting on January 19 and had a record 83 attendees.

Phil Goff led the session and discussed basic functionality of digital cameras and various options for storing and printing pictures.

Our next session will be in April and we will discuss Photoshop Elements and other software for storing and organizing your photos on the computer.

In second place was **Gene Gould / Monte Hall** with 125 points, followed by **Rich Bamberger / Ali Aghaiepour**. Twenty-two men played.

On Jan. 10th, 28 men gathered at Round Hill C.C. for lunch and bridge. **Fred Massaro** led the pack with 5,220 points. In 2nd place was **Lytton DeSilva** with 4,970, followed by **Ron Wolberg** with 4,850, **Al Shain**, 4,790, **Jai Yee**, 4,510 and **Warren Westrup**, 4,420. Then on Jan. 17th, the couples group got together at Diablo C.C. for lunch and bridge. We had 48 people, 24 couples, for this session.

On January 20th, the Area 2 bridge group, Branches 116, 8, 146 and 171 got together at Diablo C.C. A team from Branch 8 was high with 65%, followed very closely by **Ali Aghaiepour / Rich Bamberger** from Branch 116 with 64%. We also set up a team match, with Branch 8 & 146 playing Branch 116 & 171. We lost -- 49.56% to 50.42%!

Finally the month ended with 28 men enjoying lunch and an excellent day of bridge on the 24th at Diablo C.C. Lots of BIG scores today. **Jack Dodgson** was high man with 7,050 points, followed by **Roy Hedtke**, (6,770), **Jai Yee**, (6,390), **Jack Butler**, (5,370), and **Ron Wolberg**, (5,290). **Bob Daily / Jack Butler** bid and made a grand slam, while **Floyd Skelton / Bob Anderson**, **Bob Singleton / Ron Wolberg**, **Ali Aghaiepour / Paul Floyd** and **Art Donaldson / Jack Dodgson** all bid and made small slams. What a difference from our last session!

Lucky member 244 should contact Floyd Skelton.

9 Hole Golf Group

Dick Chaffee

On January 11th eleven golfers braved the elements and participated in the 9 hole tournament at Buchanan Fields. The weather cooperated and we played under sunny skies! In fact, it was so warm that Bob Daily shed his jacket in the middle of the round.

The Team Title was won by the foursome of **Jerry Kaplan, Dick Chaffee, Bob Daily** and **Will Cabral** with a net 26.

The individual scoring honor was won by **Jim Altomare** with a 35 followed by Joe Ostler with a 38. Closest to the Pin. A sad story here. Only **Jim Altomare** hit a "money" green. Jim hit the 5th green and won 3 golf balls. My thanks to the rest of you for conserving the club's treasury.

On January 25th fifteen golfers participated in the 9 hole tournament at Buchanan Fields. There was a tie for the team title. The handpicked team of **Bob Daily, Dick Chaffee, Jai Yee** and **Doug Aalders** was tied by the team of **Mel Gee, Joe Stralovich, Chuck Cuny** and **Will Cabral**. Both had a net score of 27.

The scoring honor was won by **Ernie Carson** with a 35.

Only one winner in the Closest to the Pin contests. **Joe Stralovich** hit the green on hole 5 and won 3 golf balls.

Our next tournament is Wednesday, Feb 8, at Buchanan Fields starting at 10:00 a.m.

Difference Between Democrats & Republicans

- Democrats buy most of the books that have been banned somewhere. Republicans form censorship committees and read them as a group.
- Republicans employ exterminators. Democrats step on the bugs.
- Republicans tend to keep their shades drawn, although there is seldom any reason why they should. Democrats ought to, but don't.
- Republicans raise dahlias, Dalmatians, and eyebrows. Democrats raise Airedales, kids, and taxes.
- Democrats name their children after currently popular sports figures, politicians, and entertainers. Republican children are named after their parents or grandparents, according to where the money is.
- Republicans sleep in twin beds -- some even in separate rooms. That is why there are more Democrats.
