Sayings of 2006 Big Sir, Jerry Hunter

I am very proud and very happy to be a part of Branch 116. Having said that, now I only hope that as your Big Sir, I will be able to perform the duties and handle the responsibilities as well as my predecessors.

I would like to thank Ron Domer for the great job he did last year. He also was a great help to me as my mentor and I want to thank him for that. I will continue to call on him for advice as needed. We need to also thank all of the other Officers, Directors, Committee Chairmen, and committee members that contributed to the success of the Branch last year. Job well done Gentlemen!

Each year as the holidays and the New Year approaches we tend to reflect on several things. One of the things I tend to do is to review some of the things that happened during the year, both good and bad, but focusing on the good. When I do that, I am continuously thankful for all of the good things that are happening in the lives of our family and how blessed we truly are. I am also thankful for all of the friends and acquaintances that make our lives enjoyable. For me, that includes all of you, my fellow SIR.

We have our officers and committee chairmen in place for 2006. We have put together an excellent team and I look forward to working with all of them in the coming year. We have some things in mind that hopefully will continue the trend of the Branch getting better each year.

This year I will be celebrating New Years Eve in New York City from a restaurant at Times Square watching the ball drop from a table in front of a plate glass window where its nice and warm and cozy.

Happy Holidays and a very special New Year to you and your families.

As a joke, you will hold up a certain air freshener in a bank and announce "this is a Stick Up!" Later, you'll have time to reflect upon the regrettable fact that law enforcement officials are sadly lacking in a sense of humor.

Guest Speaker for January

Kevin Sanchez

Our speaker for January will be Kevin Sanchez.

Kevin is a Certified Investment Management Analyst. He works for Golden Gate

Wealth Management as Vice President of Investments.

Kevin has served his clients' wealth management needs since 1994. The focus area of his practice is working with boards of non-profit organizations, foundations and endowments in the creation of prudent investment policies, portfolio design and implementation, and fiduciary liability review. His areas of emphasis include exercise and taxation strategies for incentive and Non-qualified stock options and restricted stock management. He is a frequent lecturer at Fortune 500 companies covering these topics.

Kevin and his partner currently manage over \$740 million in custodied assets for over seventeen foundation clients and a limited group of private clients.

In addition to professional activities, Kevin also gives back of his personal time. He is currently on the Boards of Directors for the University of Oregon Alumni Association's Northern Ca region and for the Diablo Regional Arts Association in Walnut Creek in charge of endowment and development.

Kevin and his wife Beverly, are active in community philanthropy, and reside in Walnut Creek.

The area of Kevin's professional expertise is not what he is going to be talking about to us. Kevin is going to give us a slide show of "Climbing Mt. Kilimanjaro - To the Roof of Africa". He climbed the mountain to celebrate turning 40 years old. He reached the summit the morning of his 40th birthday.

\$ums In Retirement

Ben Smith

A Happy and prosperous New year to all SIR's. The Area-2 \$ums In Retirement Financial group is looking forward to sharing some sound Investment ideas and developing some ways to add to our Retirement Income. All SIR's are invited to come join the group.

When: The first meeting of 2006 will be held on Wednesday, January 25

Time: Breakfast will be available at 7:00am and meeting will start at 8:00am. No Reservations are required, just come and join in and gain some knowledge.

Location: Diablo Creek Golf course, (Legends Grill Room) located at the Northern intersection of Port Chicago Hwy and Hwy. 4 in Concord

Program: A presentation will be made by MR. TOM KOPAS, Principle of PRING TURNER CAPITAL GROUP. Mr. Kopas has many years of experience and is well known to many of us in the group. He has great insight and knowledge in the world of Investing. He has made presentations to our group in past and his outlooks and observations have proved for the most part to be very accurate and helpful.

His topic will cover MARKET OUTLOOK FOR 2006 and he will examine the conditions that an Investor should consider in trying to determine "IS CYCLICAL BULL MARKET ALMOST OVER???" WHAT ARE THE NEXT SMART MOVES?

This should prove to be a very interesting presentation and all SIR's and their guests are welcome to attend.

If you need additional information contact SIR Ben Smith, Tele: 925 820-5403, e-mail bjsssmith@aol.com.

Area 2 Fishing Report

Dick Thomson

During the winter, fishermen typically are repairing their gear and getting things ready for the upcoming spring. Our guys seem to be carrying this to an extreme. Instead of gear, we have Branch 8's **Tom Hensley** (with neck surgery), **Joe Maurino** and **Tom Click** (with new knees). **Ed Dijkman** is reportedly next. The good part is that these surgeries went well and that recovery seems to be just a matter of time. On the gear side, Branch 8's **Bill Hooy** finally got his boat back from the October 16th trip to Eagle Lake. He picked the boat up in Susanville over the weekend of December 17th after the boat shop found and repaired the leak (which almost sank it) and set the trailer straight (after it had its hub come off and crashed at the start of the trip home) so it again runs true. Getting the old tub wasn't without incident either, in that snow began to fall at Susanville and continued heavy all the way over Mt. Lassen. Just an hour later starting and Bill and his son probably wouldn't have made it home as they did. Now, it's just a matter of getting the fishing gear itself back up and running.

There were a couple of reports of successful striper trips in the Delta. Fishing Group Members, **Al Brunner** and **Joe Peterson**, both of Branch 19, boated two nice stripers at Buoy 18 on the Sacramento near Decker Island over the December 17th weekend. Al's was a 10 pounder and Joe's was a 20+ pounder. They reported the weather was icy-cold, but the results were worth it. Nothing to report from our other members but maybe this will give them incentive to get out of their armchairs and back onto the water (before their fishing licenses expire for 2005).

Branch 8's **Bill Hooy** went out on a party boat just before Thanksgiving from Dana Point (near San Clemente in Southern California) for rockfish. Those on board caught croakers, groaners and other fish that defied description (one so poisonous that you couldn't take a chance to touch it until its poison injectors were cut off). Needless to say, the crews were the only ones doing the latter and taking the fish off the hooks as well. The seals were the real winners, in that they followed the boat and waited for good fish to be hooked and then ate them before they could be boated. Notwithstanding, the weather was great and water flat, so a good day for fishing. The day after Thanksgiving Bill and his family had their regular annual fishing

derby at the wharf at San Clemente. Everyone, including grandparents, sons, daughters, grandsons, nieces, nephews, in-laws and outlaws, all fish and winners are decided by categories. Lots of fun and much to talk about later.

The Fishing Group still has prospective a trip to Oregon for steelhead (fishmaster **John Wall**) before the end of the Month (or maybe in January, depending upon the weather). The Delta is also open and there is some striper activity there. We have our "Gotta Fish the Delta" group, which sets up ad hoc trips, when conditions seem right. Then, it's on to our Boat Show trips (in January and February, 2006) to Sacramento, San Mateo and Pleasanton. Lots to do but keep in mind, if you're not fishing, it's your own fault.

If you want to hear more, please come to one of our meetings on the 4th Thursday of the Month at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meetings start at 8:30 a.m. For further information, please contact **Bill Hooy** (Big Fish)(925-686-2627); **Dick Thomson** (Branch 116 Coordinator) (925-785-7600) or **Terry Miller** (Treasurer/Secretary)(925-686-9298). All SIR members and guests are welcome and, indeed, encouraged, to participate in the fishing trips as well as attend the monthly meetings.

Bridge

Milt Greenstein

On November 22nd, 24 members played 6 rounds of bridge after an excellent meal at Diablo Country Club. The winner was **Fred Massaro** with a good score of 5860 points, followed by **Art Donaldson** (5290), **Bill Sullivan** (5080), **Bob Singleton** (4700) and **Dick Chaffee** (4220). Small slams were bid and made by **Fred Massaro/Lytton DeSilva** and **Bill Sullivan/Ben Yeraka**.

The December 13th session at Round Hills Country Club had **Dick Chaffee** the high scorer with 6390 points, trailed by **Bob Daily** (5760), **Jai Yee** (5510), **Terry Thomas** (5420) and **Charley Schmidt** (5240). Small slams were bid and made by four teams .

On December 27th, a small group of 18 men gathered at Diablo Country Club for lunch and bridge. (Too

many guests/out-of-towners.) This was a remarkably low scoring day with **Warren Westrup** coming in with a high score of 5250 points. Runnerup was **Ali Aghaiepour** (4870), **Art Donaldson** (4520), **Lytton DeSilva** (4150) and **Milt Greenstein** (4040). No small slams were made today, which contributed to the low scoring.

The duplicate group met on Dec. 6th at the Pleasant Hill Bridge Center. Eighteen players, 4 1/2 tables played. The top team was **Gene Gould/ Paul Weiby** with 92 points out of a possible 144, for a 64% score. Second place was 62% by **Dan Green/Jim Nachtweih**, 3rd was **Bob Daily/Terry Thomas** with 54% and 4th was **Jack Dodgson/Bill Sullivan**.

The next Area 2 bridge session will be held on Friday, Jan. 20, 2006 at Diablo Country Club. Branch 116 will be fielding 10 teams. Three branches will compete for top honors and bragging rights.

Unfortunately, our group has lost several players due to illness and " old age ". We could certainly use some new blood! Anyone interested , please give me a call - 376.5589.

9 Hole Golf Group

Dick Chaffee

On November 30, 16 golfers competed in our 9 hole Blue Tee tournament under partly cloudy skies. The team of **Jim Nachtweih, Joe Ostler, David Geary** and **Dick Chaffee** won the event with a team score of net 25. The team was paced by **David Geary** with a 1 over par round of 32. **David** also won the individual scoring honors.

However, you didn't write your name on the 3rd place card so at this time the 3rd place winner is a mystery. Please let me know who you are. We are saving your prize.

If you would like to play, you can sign up by: 1. e-mailing **Dick Chaffee** at rwchaffee@sbcglobal.net, or 2. calling the SIRS Golf Club Hot Line, 906-5355, or 3. calling **Jim Nachtweih**, 838-7417.

Sometimes it DOES take a Rocket Scientist.

Scientists at NASA have developed a gun built specifically to launch dead chickens at the windshields of airliners, military jets and the space shuttle. This is used to assess the impact of all traveling collisions with airborne fowl to test the strength of the windshields.

British engineers heard about the gun and were eager to test it on the windshield of their new high-speed trains. Arrangements were made to borrow the gun. But when the gun was fired, the engineers stood shocked as the chicken hurtled out of the barrel, crashed into the shatterproof shield, smashed it into smithereens, crashed through the control console, snapped the engineer's backrest in two, and embedded itself in the back wall of the cabin.

Horrified, Britain sent NASA the disastrous results of the experiment, along with the designs of the windshield, and begged the U.S. scientists for suggestions.

NASA's response was just one sentence:

"Thaw the chicken."

Legitimate Reasons for Hitting a Bad Drive

A fly landed on my ball right when I hit.
From three hundred yards out it looks like the green sloped away. I should have laid up.
Hackers tore up the green. I can't play competitively under these circumstances.
I can't judge my ball in this cool December air.
I can't play in 70 degree, sunny weather. I need snow, wind and rain.
I can't play with graphite shafts. Steel is the way to go.
I didn't flex my wrists on the back-swing.
I didn't follow through on the swing.
I didn't follow through with my hips.
I didn't have a 3 wood so I had to use my 5 wood.
I didn't have fish for breakfast - I only play well when I eat fish for breakfast.
I didn't have lunch, I have no energy.
I didn't keep my left arm in. I hate this game.
I didn't open my stance and I pushed the ball to the left.
I dropped my left shoulder and hooked the ball.
I forgot my sunglasses in my other golf bag.
I got whiplash when you started the cart. Now my neck hurts.
I had a clump of mud on my ball, causing it to spin to the left.
I had a root canal last year. It still hurts when I golf.
I had my knees bent too far and I got way under the ball.
I have a tear in my golf glove.
I have sarcoidosis, I haven't been able to play.
