A Nonprofit Public Benefit Organization for Retired Men Devoted to the Promotion of Independence and Dignity of Retirement.

Sayings of 2006 Big Sir, Jerry Hunter

I recently purchased a new hat. The hat isn't the nicest looking hat I've ever seen, but I didn't buy it for its' looks. This hat is called a sun hat and it does make a fashion statement but maybe not exactly the one you would normally want to convey. I bought the hat at a golf pro shop outside of Stockton while participating in one of our SIR tournaments. In retrospect, I probably should have tried it on in front of a mirror before purchase. Instead, I put it on walked outside in front of a group of our SIR golfers. Now the golf group is not known for keeping snide comments to themselves. The first thing I heard was "Oh, I've got to have a picture of that." Then, "Thrift store special?" "I wondered who that was under that thing." "Are we recycling?" etc. Before the day was over I was even accused of causing one golfer to shoot a bad score because he couldn't stop laughing.

I've been digressing. The reason I bought this sun hat was because I have noticed that the tops of my ears and my forehead have been sun burning and peeling ever since the weather turned sunny. Now I always wear sun screen when going out in the sun for any length of time, but apparently that has not been enough. I also have been wearing a baseball style cap for sun protection. I guess it hasn't been doing the job either. So, there I was near Stockton (God knows one of the hottest places in the world in the summertime) looking at sun hats for sale. Now I figured, if those hats will work in Stockton, that's good enough for me. At that point I didn't care what they looked like, I just wanted to keep the sun off.

Another motivation was that my wife has been after me to do something about my sun burning and to be more concerned about the heat. You all know how that goes. I now also carry water everywhere I go.

Anyway, I have a new hat, its' working great, it looks ugly and I don't care because my ears, forehead, and wife are all happy.

Have a Happy July, but watch that sun.

Area 2 Fishing Report

Dick Thomson

Branch 116 FISHING ARTICLE, JULY 2006

The trip to Lake Almanor for trout on May 21st to 26th was a great success. Eleven of our Fishing Group members went. The weather was uncooperative for the first 2 days (high winds and rain) and then, it let up and brought sunshine and mild temperatures. The fishing was bad initially and then gradually improved, until the boats out on Thursday reported limits of great looking rainbows. **Howard Berkman** was on his first trip with the Group and initially tried using "Back East" techniques (ignore the tip of the pole in favor of waiting for the clicker to click as the test of fish on) here. It did not work and Howard finally came around. He was rewarded with a great hit and a rainbow that jumped completely out of the water 3 times. **Terry Miller** finally netted the fish. Howard was overjoyed and indicated he would have been satisfied with simply hooking and playing the fish, let alone pulling it into the boat. It goes without saying that Howard was on his cell phone when the boat came in at dockside reporting home on his wonderful catch. Lots of fun for all... More next year for sure.

Branch 8's **Joe Karg** has been knocking them dead in the San Francisco Bay. He was out twice on the party boats for halibut and stripers. On June 6 he went out of Emeryville and scored two massive stripers (above 20#) and several keeper halibut. In the course of things, he won the \$60 jackpot for the largest fish of the day. Congratulations Joe!! Keep up the good work. Branch 8's **Bob Kahl** has been in Colorado, Wyoming and Arizona fly-fishing. He reported on great fishing on the Snake and other rivers during his travels.

June 14th was "Fishing Night Out" at the Crown Restaurant in Danville. Twenty-six of our members and guests attended an evening of traditional English pub food, including fish and chips, bangers and mash, grilled salmon, etc, topped off with Guinness and other favorite beverages. A great time to socialize and for the wives to find out who these other people are of whom the fishermen have spoken. Prizes for all and even some poetry. Lots of fun and we are looking forward to next year's event.

Ten of our members will be off to New Melones Reservoir near Angels Camp on July 10th through the 14th to fish for Kokanee. We have enjoyed this trip over the past 5 years and have now upgraded to air-conditioned, time-share condo units, courtesy of **Al Brunner**, Big Sir of Branch 19. We expect to feast on take-outs from various restaurants in the area. Weather and water should be hot. Hopefully, the fishing will be also. Lots of fun for all involved.

As far as the next three months are concerned, the Group is planning:

- Day trips out the Golden Gate for Salmon (dates are open - **Ed Dijkman** is Fishmaster);
- Summer Backyard Picnic (August 20th - **Al Brunner** is Fishmaster);
- Various day trips to the Delta for stripers (dates and schedules are open and based on independent arrangements between fishermen and boat owners);
- Trip to Eastern Sierra (Bridgeport) for trout (September 17th to 19th - **John Wall** is Fishmaster);
- Trip to Viera's near Rio Vista for stripers (date open, probably in September - **Terry Miller** is Fishmaster);
- Camping trip to Medicine Lake in the high Sierra for trout (September 24th through 28th - **Joe Karg** is Fishmaster);
- Trip to Lake Davis for pike/trout (October 8th through 10th - **Joe Karg** is Fishmaster);
- Trip to Eagle Lake for trout (October 22nd through 27th - **Craig Walton** is Fishmaster).

There is much more to come, so "if you're not fishing you are not trying".

If you want to hear more, please attend one of our meetings on the 4th Thursday of the Month at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meetings start at 8:30 a.m. For further information, please contact **Terry Miller** (Big Fish) (925-686-9298); **Dick Thomson** (Branch 116 Coordinator)(925-785-7600) or **Romano Gnusti** (Treasurer/Secretary)(925-376-3313). All SIR members and guests are welcome and encouraged, to participate in the fishing trips as well as attend the monthly meetings.

Following story was provided by Plato Grivas

A man and a woman were sitting beside each other in the first class section of an airplane. The woman sneezed, took out a tissue, gently wiped her nose, then visibly shuddered for ten to fifteen seconds.

The man went back to his reading. A few minutes later, the woman sneezed again, took a tissue, wiped her nose, then shuddered violently once more. Assuming that the woman might have a cold, the man was still curious about the shuddering. A few more minutes passed when the woman sneezed yet again. As before she took a tissue, wiped her nose, her body shaking even more than before.

Unable to restrain his curiosity, the man turned to the woman and said, "I couldn't help but notice that you've sneezed three times, wiped your nose and then shuddered violently. Are you OK?"

"I am sorry if I disturbed you, I have a very rare medical condition; whenever I sneeze I have an orgasm."

The man, more than a bit embarrassed, was still curious. "I have never heard of that condition before" he said. "Are you taking anything for it?"

The woman nodded, "Yes, Pepper."

Bridge

Milt Greenstein

Our SIR duplicate group met on June 6 at the Pleasant Hill Bridge Center with 18 players. The team of **Dick Schlueter/Floyd Skelton** came in first with 97 out of a possible 144 points, or 67%. Second place was captured by **Dick Chaffee/Bill Sullivan** with 57%, followed by **Ernie Sherne/Milt Greenstein** with 51%.

The lunch and bridge group met on June 13th with 28 men at Roundhill C.C. After an excellent lunch, we sat down to some really good bridge. High scorer was **Lou Sandor** with a convincing 7,160 points. Second place went to **Ali Aghaiepour** with 6,730 points, followed by **Fred Massaro** (6,450), **Lee Travis** (5,960) and **Charley Schmidt** (5,300). This was a high scoring day; the highest winning score this year to date and the second highest average scoring session this year. Six small slams were bid and made during this session: **Fred Massaro/Dan Green, Charley Schmidt/Lee Travis, Lou Sandor/Bob Wolf, Ali Aghaiepour/Oscar Krikorian, Charley Schmidt/Jim Nachtweih and Fred Massaro/Ben Yeraka.** This explains the high scoring.

The same group met on June 27 for lunch and bridge at Diablo C.C. for another great day of bridge. **Dick Chaffee** was our high man with 6,950 points, followed by **Ali Aghaiepour** (6,730), **Milt Greenstein** (5,420), **Ron Wolberg** (5,240) and **Fred Massaro** (4,980). Small slams were made by **Dick Chaffee/Ron Wohlberg, Fred Massaro/Dick Schlueter and Dick Chaffee/Norm Schoenfeld.**

We were saddened to learn that one of our long time players, **Terry Thomas**, passed away on June 24. Terry had been battling bone cancer for some time, and unfortunately the cancer won the battle. We will miss him.

Guest Speaker for July

Randy Bennett

RANDY BENNETT took over as the head men's basketball coach at St Mary's College just prior to the 2001-02 season. In the subsequent four years, he's brought the excitement back to the basketball program by leading the Gaels to an NCAA Tournament appearance in 2005. His presentation: "Gael Basketball on the Rise" will review his time at St. Mary's and provide insight on the upcoming 2006-2007 season.

Prior to accepting the position in Moraga, Randy was the top assistant at Saint Louis University for two years under Lorenzo Romar. Romar and Bennett coached Saint Louis to an NCAA Tournament berth after winning the Conference USA Tournament with four consecutive wins in four consecutive days. Included was an upset of then #1 nationally ranked Cincinnati. Before working with Romar at Saint Louis, Bennett was also his top assistant at Pepperdine University from 1996-99. The 11-win turnaround following the 1996-97 season was the second biggest improvement in the nation from the year prior. Two years after taking over a program that finished last in the WCC, the Pepperdine Waves finished second in 1998 and 1999 and advanced to the NIT following a 19-12 finish to the 1998-99 regular season.

Randy began his coaching career with a one-year stint as an assistant coach at the University of San Diego, and then moved to the University of Idaho for two-years, before returning to San Diego for another eight seasons as the Toreros top assistant. Member 65.

Coach Bennett is extremely happy to be back on the West Coast, specifically in Northern California. In his first year at Saint Mary's, he realized the many strengths of the Moraga and neighboring communities and has the basketball program involved with the community in as many ways as possible. One of the ways that the basketball program is involved in the community is with a reading outreach program, where players will go to a different elementary school each week. The players read to different classrooms, talk about the importance of reading, and discuss various life skills as well. Schools that have already been visited by the Gaels are Sleepy Hollow Elementary School in Orinda and Highlands Elementary School in Concord.

9 Hole Golf Group

Dick Chaffee

On Wednesday, June 7, eight players played Pine Meadow. The team of **Jai Yee, Bill Stoll, Bob Daily** and **Chuck Cuny** won the team title with a net 27. **Troy Powell** won the individual scoring title with a 39. We have now found out Troy's secret to low scoring: new Calloway clubs and Flax seeds! Closest to the pin. Do we need some work here? No one hit the 134 yard 4th hole green.

On Wednesday, June 14, 19 golfers participated in the 9 hole tournament at Buchanan Fields. The team title was won by the team of **Joe Ostler, Jim Nachtweih, Will Cabral** and **Bob Shader** with a net score of 21. The individual scoring honor was won by **Bob Shader** with a 1 over par 32! Bob was followed by **Phil Goff** and **Troy Powell** with 34s. Closest to the Pin on hole 5 was won by **Joe Stralovich** with **Phil Goff** second and **Al Leschot** third.

The SIR 9 hole golf club ended June with a tournament at Buchanan Fields on June 28. Sixteen golfers participated. The weather was cool with mixed sun & clouds along with a couple of brief rain showers. We experimented with a non-handicapped team event. Two teams tied for first. The team of **Troy Powell, Bob Shader, Chuck Cuny** and **Paul Eckels** tied the team of **Jim Altomare, Stan Lowenberg, Alex Sarran** and **Bob Daily** with team scores of 31.

Individual scoring honors went to **Jim Altomare** with a 1 over par 32 followed by **Stan Lowenberg** with a 35. **Troy Powell** fresh out of the hospital chewing flax seeds and taking fish oil pills was third with a 37. Closest to the Pin on hole 5 was won by **Jim Altomare** with **Stan Lowenberg** second and **Alex Sarran** third.

In July we will continue scheduling weekly tournaments. If participation remains good, we will schedule weekly tournaments for the remainder of the year and by the end of July publish a revised 9 hole golf schedule.

The July schedule is:

Wed, July 5 Pine Meadow starting at 9:30am
Wed, July 12 Buchanan Fields starting at 10:00am
Wed, July 19 Boundary Oak
Wed, July 26 Buchanan Fields

If you'd like to play in any of these tournaments, you can sign up by calling the SIRS Golf Club Hot Line, 906-5355, or calling Jim Nachtweih, 838-7417.
