**May, 2006**

A Nonprofit Public Benefit Organization for Retired Men Devoted to the Promotion of Independence and Dignity of Retirement.

## Sayings of 2006 Big Sir, Jerry Hunter

May is a special month in several ways. Every May we forego our normal luncheon so that we can show appreciation to our significant others at our Ladies Day Spring Dinner Dance event. It's usually a very beautiful month because of all of the new spring growth in its abundant splendor on display for all of us to enjoy. May also gives us a chance to celebrate Mothers' Day and to show or reflect on our appreciation to those great ladies of the past and present.

I have a personal appreciation for May because I was married on May 10, 1997. I still vividly remember taking my then new wife to the Spring Luncheon that year. We asked the folks at the name tag table to change the name on her name tag to reflect that we were then married. Well, I guess the word traveled fast and we were recognized at that luncheon for being the couple married the shortest length of time (two weeks).

As of this writing, we are beginning to get some beautiful spring sunshine that is really welcome this year after all of the rain. People just seem to be in better moods with more energy and happiness now that we have the sunshine. I personally feel like I just came out of hibernation and need to get out and do things that I enjoy doing. I think I was starting to have golf withdrawal symptoms just as the sun started coming out, and I was saved. Then, I did get out and played a round of golf and found out that I have a lot of work to do to get my game back in shape. At least, it feels so good just to be able to get out in the fresh air and get a little exercise and have fun with friends in the sunshine again.

Well I am looking forward to seeing everyone at the Spring Dinner Dance, on the golf course or just out in the sunshine enjoying this great life we have. Have a happy May.

## \$ums In Retirement

**Ben Smith**

The May meeting of "Sums In Retirement" Investment Group will be held Wednesday, May 24, 2006. The meeting will be at Mount Diablo Golf Course, Legends Grill Room located at the northern intersection of Hwy.#4 and Port Chicago highway, Concord.

We meet for breakfast at any time after 7am and the meeting starts at 8am. All SIR and their guests are welcome and no reservations are required, you can order off the menu.

We will be conducting an open discussion session relating to how we can more effectively select winning Stocks. In a recent survey of our SIR members this was the number one topic that people want to discuss. Our Fellow SIR- **DAVE MUNSON** will make a presentation relating to a key Federal Reserve model used by many Investors in making Stock selection. It is an interesting method for anyone to take a look at in attempting to determine the direction of the Stock and Bond market. We will also examine Key areas and fundamentals to focus on when selecting a Stock. Members of the "Dollar Devils" will also discuss their Stock Selection methods.

This will be an open discussion and we ask all attending to come with some of their ideas and suggestions for sound Investment selections. This should prove to be a very informative session and we should all gain some excellent knowledge on how to make future Investments.

If you have any questions or need additional information, contact SIR Ben Smith (Br.#116) at 925-820-5403 or e-mail [bjsssmith@aol.com](mailto:bjsssmith@aol.com)

## Lois Grandi

Our Guest Speaker for April was Lois Grandi. She is founder and artistic director of Playhouse West and the Playhouse West Academy. She said that Playhouse West was in negotiations with the City of Orinda to hold future performances in the new Library complex.

## Bridge

**Milt Greenstein**

The Branch 116 Duplicate Bridge Group met at the Pleasant Hill Bridge Center on April 4th with 18 players. The team of **Bill Sullivan/Oscar Krikorian** came in 1st with a nice score of 85 ( 59 % ). Second place went to **Lou Sandor/Terry Thomas** with 78 points ( 54 % ) and 3rd place to **Art Donaldson/ Erne Sherne** with 76 points ( 53 % ).

April 11 saw 30 men gather for lunch and bridge at the Roundhill C.C. for what turned out to be a very low scoring day. Top score today was 4,710 points by **Milt Greenstein**, followed by **Dick Chaffee** (4,580 ), **Art Donaldson** (4,520 ), **Monte Hall** ( 4,000 ) and **Ben Yeraka** (3,850 ). Most days 4,710 points wouldn't make the top 5 scores. Only 1 small slam was bid and made by **Bob Daily** and **Art Donaldson**.

On April 25th, our group met at Diablo C.C. We were one man short of our scheduled 28 players. **Jai Yee** was our high scorer for the day with 5,940 points , followed by **Gene Gould** with 5,830 points, **Bill Sullivan** with 4,900, **Bob Anderson** with 4,820 and **Roy Hedtke** with 4,670. Small slams were bid and made by **Jai Yee/Art Donaldson** and **Bill Sullivan/Dennis Perry**. Lunch was an excellent halibut dish.

## Area 2 Fishing Report

### Dick Thomson

March 25 saw 9 members of our Fishing Group at the Fishermen's Friend Seminar at Lodi. Those attending included Branch 8ers, **John Hayes, Bill Hooy** and **Craig Walton** as well as **Terry Miller** of Branch 116. This annual get-together features guides and equipment people, who give shrewd insights into the latest techniques to fishermen coming from all over the area. And, despite the saying to the contrary, there was a free lunch!!!

**Ed "Rain Man" Dijkman** led a trip to Collins Lake near Marysville in the first week in April. Again, 8 members including Branch 116 members **Bob Olson** and **Terry Miller**, and Branch 8 members **Rich Bal, Ed Dijkman, Romano Gnusti, Bill Hooy** and **George Schulze**. The weather reports were negative (at best), but fishermen are optimistic and went anyway. We got some fishing in on Sunday (April 2) in the afternoon. After that the skies opened up and dropped 6 inches of rain, member 175, and another 7 came down on Monday. The lake rapidly turned a deep chocolate color and visibility became nil. Sometimes the odds are too long. So, the trip was cut short by unanimous decision. Notwithstanding, highlights include great accommodations and wonderful food. **Rich Bal's** meat loaf, **Terry Miller's** baby-back ribs, and **George Schulze's** fruit salad.

April 8 saw another group of 4 fishermen at the Glory Hole Seminar near Angel's Camp. This also featured guides and equipment people, who inform on the latest and best, particularly insofar as Kokanee/bass fishing is concerned. Along with the seminar, our fishermen took to the boats on New Melones Reservoir, which is nearby, for another 2 days of fishing. Those attending enjoyed spectacular condo living (**Al Brunner** of Branch 19 has access) at his resort, great meals and some peak-aboo sunshine on the lake. Fishing was spotty (only 1 small rainbow caught), and cut short by rain but the trip otherwise was a great success.

The Fishing Group's annual "Day at the Races" was held on April 20 at Golden Gate Fields. **Bob Olson** of Branch 116 was Fishmaster. Some 55 SIRS and

their wives and friends attended. This was the biggest turnout yet. As usual, the track named a race for our group and we left with great pictures of the winning jockey and members. There's talk that we had several successful horse-pickers in the crowd and more than a few came home with some of the track's money. We will leave it to their discretion as to who was in that category.

As far as the next three months are concerned, the Group plans trips out of McAvoy's to the Delta for stripers as conditions permit - **Sal Costanza** is Fishmaster; day trips to San Pablo Reservoir (to be arranged by members as conditions permit); possible trip to Lake Berryessa for bass - **Harold Knudson** is Fishmaster; trip to McSwain/McClure Reservoirs for trout on May 1-5, **Al Brunner** is Fishmaster; possible fly fishing trip to Pit River for trout on May 7-12 - **Don Mittelsteadt** is Fishmaster; trip to Lake Almanor for trout on May 21-26 - **Craig Walton/ Joe Karg** are Fishmasters; trip to Bridgeport Reservoir on the eastern side of the Sierra in June (date to be set later), - **Al Brunner** is Fishmaster; trip to the American River for shad in June (date to be set later) - **Tom Hensley** is Fishmaster; fly fishing trip to the Lower Sacramento River for trout on June 11-18 - **Pete Gates** is Fishmaster; social for families at the Irish Pub on June 14 - **Bill Hooy/Ed Dijkman** are Fishmasters; trip to Norden for trout - **Tom Hensley** is Fishmaster; trip to New Melones Reservoir for Kokanee on July 10-14 - **Al Brunner** is Fishmaster; trip to Davis Lake for trout (date to be set later); day trips to ocean for salmon (dates open) - **Ed Dijkman** is Fishmaster). There's much more to come, so, "if you're not fishing you are not trying".

If you want to hear more, please attend one of our meetings on the 4th Thursday of the Month at the Legends Sports Bar and Grill at the Diablo Creek Golf Course at 4050 Port Chicago Highway in Concord. Meetings start at 8:30 a.m. For further information, please contact **Terry Miller** (Big Fish) (925-686-9298), **Dick Thomson** (Branch 116 Coordinator)(925-785-7600) or **Romano Gnusti** (Treasurer/Secretary)(925-376-3313). All SIR members and guests are welcome and encouraged to participate in the fishing trips as well as attend the monthly meetings.

## 9 Hole Golf Group

**Dick Chaffee**

Seventeen golfers participated in the April 19<sup>th</sup> 9 hole tournament at Buchanan Fields on a warm, sunny day. Thanks to **Will Cabral's** clutch net birdie on the 9th hole, the team of **Dick Chaffee, Will Cabral and Jai Yee** won the team title by 1 stroke with a net 23. Will paced the team with 2 pars and the net birdie.

**Ernie Carson and Dick Chaffee** tied for scoring honors with 36s followed by **Doug Alders** with a 39. Closest to the Pin on hole 5 was won by **Will Cabral** with **Ernie Carson** second and **Donald Cochrane** third.

On Wednesday, April 26, the SIR 9 hole Golf Club held its initial 9 hole tournament at Boundary Oak. Much thanks to **Doug Alders** with an assist from **Jim Nachtweih** for coordinating this event. It was a beautiful golfing day and a successful event.

Eleven SIRS participated in the 9-hole tournament and the results are in: In a close contest, Team No. 3 (**Alders, Nachtweih, Shader, and Stoll**) came in first with a total averaged score of 55.75; with Team No. 2 (**Cabral, Gee, Hull, and Kaplan**) having 58.75; and Team No. 1 (**Ostler, Daily, and Stralovich**) with 59.33.

Leading scores were made by **Bob Shader** at 51, followed by **Cord Hull** at 52 and **Joe Stralovich/Doug Alders** tied with 54.

We saved the company some golf balls by no one hitting the green on Closest to the Pin Hole No.2. Better luck next time!

Our next outing is at Pine Meadows on May 10. If you want to play, you can sign up by calling the SIRS Golf Club Hot Line, 906-5355, or calling **Joe Ostler** at 930- 8857.
