

SIR Branch 116 Newsletter March 2023

Enhancing the lives of our members through fun activities, luncheons and events while making Friends for Life

Message from Roger

Attendance continues to boom and a good deal of the credit goes to our Speakers Committee consisting of Allan Farbman , Paul Freitas and Alan Pope. An additional shoutout to Michael Barrington who guided us to author Isidro Mencos. She gave an excellent presentation on Spain and it's time under Franco.

Dine-O-Sir Guru Jerry Hicks assured 50 members , spouses and significant others a good time and some excellent Mexican cuisine at Magueys in Alamo.

It's easy to overlook. I'm talking about our annual dues. If you haven't paid yet please do so. It is our only definitive way of determining our actual number of members. Dues payment can be found in our Branch Shopping cart.

It's easy, but, we will be happy to accept your check.

We continue to be concerned with the well being of Mr. Sunshine Matt Arena. Any information will be appreciated.

New members will always be a priority for any organization such as ours. The publicity and membership committees have contributed greatly to a new member surge. Some of our new members, however, have been the result of recruiting efforts by our members. Social media is great but our personal relationships are tried and true.

Jeff Johnson continues to look for someone to fill his community service role. We have volunteers we just need someone to coordinate the events. Jeff can provide you with a list of contacts.

Let's get this very worthwhile activity rolling again.

Weather will soon be warming up. I hope to see you out and about.

Am I alone in thinking old age would take longer than this ?

Roger Craig, Big SIR

March Luncheon Speaker

Speaker for March Meeting
Alan Fitzgerald - "Antarctica"

Little SIR Report

Allan Pope

The February luncheon had another great turnout. Thanks to Mike Schneider for his work on luncheon attendance and his efforts in working with the Boundary Oak staff. There were 20 birthday boys and Charlie Guthrie won the free lunch. February speaker Isidra Mencos gave an interesting and informative presentation about Spain from the end of the Spanish Civil War in 1939 through the

country's transition to a democracy after the death of its dictator General Francisco Franco.

Our March speaker is Alan Fitzgerald. In January, Alan and his wife Diane took a 2-week cruise to Antarctica. He has stories and a slide show about the unusual trip to the southern tip of the earth. This will be a unique and enlightening presentation.

Branch Activities

Fishing

Harry Sherinian

SIR members and guests are welcome, and indeed encouraged, to participate in fishing trips as well as attend the monthly meetings. Contacts are Big Fish, Bob Lively 925-383-5193 and Branch 116 Fishing Coordinator, Harry Sherinian 925-846-7067. Next meeting will be at the Legends restaurant at the Diablo Creek golf course on Port Chicago Highway and Highway 4 on **Thursday, March 23rd** at 8:30am. Come early.

We finally got started on our winter trout fishing. Too many of us caught them to list, highlighted by Stan Wong's 8 pounder, and Wally Blackwood's 5 pounder. The rain muddied some of our favorite reservoirs, but fishing there should improve shortly. Mike Brown travelled all the way to St Louis Miss for his trout. He also caught a leopard shark fishing from a pier in the bay. Tom Kostik, Mike Corker and Joe Miscione worked hard for their striped bass.

Bocce

Paul Russell

Well, it's already March and the Bocce season is just around the corner. I'd like to know just how many players will be showing up this year, so I'd like to hear a yay or nay regarding your participation and availability. This is a Co-Ed activity which you and your significant other will enjoy immensely.

I'm expecting everyone to return from last year with a few (or more) additional players so that we can potentially fill full teams when personnel may be taking off on vacation or trip or what have you.

We play every other Thursday from 10am to 12pm,

and will probably begin on **April 13th** if everything goes according to plan. The courts we play on are the Clayton courts at the corner of Main and Oak Streets in downtown Clayton, next to Skippolinis. We usually do lunch in Clayton somewhere, and always have a good time.

I'll send out a separate email to those that were on last year's teams. Any SIR that would like to play is more than welcome and you can contact me at peruz@att.net or mobile 925-207-0784.

Community Service—On Hold

Branch Activities

Book Group 1 Rich Black

Book Group #1 will discuss the following books at Orinda Books at 10.15 on the following dates

- Monday, February 27... "The Gotti Wars" by John Gleeson
- Monday, March 27... TBD

Book Group #1 met on Monday, January 30 at Orinda Books to discuss "California Burning-The Fall of Pacific Gas and Electric and What It Means for America's Power Grid" by Katherine Blunt. The discussion was vigorous, I dare say electric, about the challenges PG&E faces with a distribution system in a drought plagued forest and corporate board more interested in dividends than customer safety. In addition, there is the oversight board, The California Public Utilities Commission, which has failed to provide rigorous oversight. Perhaps PG&E

has been too willing to meet renewable energy goals while slighting necessary maintenance. Perhaps enshrining inverse condemnation for property damage into legislation dooms any utility to bankruptcy in a today's draught-stricken forest.

Steve Bort recommended the book while Rich Black led the discussion with Nick Bowles, Jim Flessner, Garret Girvan, John Kopchik, Richard Rosland, Dick Kauffman, Mac McLaughlin, Todd Berman and John Riordan.

The group awarded the book a rating of 4.3 out of 5 stars.

New members are always welcome. It's a discussion, not a class. If possible, contact Rich Black at Blackrw41@comcast.net ahead of time.

Book Group 1 gathering in front of Orinda Books on January 27th

Bridge Jon Dickson

As Covid-19 fades into the past, our number of players is increasing. I encourage all members of SIR's, and even those not officially members, to join us for a bridge session. Play is relaxed, fun, and a chance to chat with other SIR's..

Play is on every 2nd and 4th Tuesday of the month. It is LUNCH & BRIDGE at The Brass Door restaurant in San Ramon. Join us at 10:30 AM for bridge. Contact Jon Dickson for more information.

Branch Activities

Pickleball

Ed Solomon

Our Pickleball group is growing. We see 9 to 10 players every Friday at 8 am at Heather Farm,

braving the early morning temperatures to have fun playing this very popular sport.

Dine-O-SIR

Jerry Hicks

Maguey at Alamo

Our Dine-O-SIR South of the Border dinner featured delicious Mexican food for our 42 guests. The evening was cold outside but inside we warmed up with friendly conversations aided by Maguey Margaritas. Carnitas, Fajitas, Rellenos, Tacos,

Guacamole, and Flan made for a delicious dinner. Gerardo, the chef/owner, and his waiters offered warm hospitality.

Your Dine-O-SIR committee is at work planning for another nice dinner evening. Look for announcement emails for our next dining event.

Branch Activities

Amiable Amblers John Riordan

February walkers included Todd Berman, Richard & Donna Black, Terry Fleming, Dick Frankel, Paul & Anna Freitas, David & Colleen Geary, Dan Green, Essie Naddaf, and John & Gail Riordan. On February 10 we walked north along the Iron Horse Trail from the Stone Valley Rd trailhead, with a post-walk gathering at Peet's Coffee. On February 17 we walked north along Lafayette-Moraga trail from the Moraga Commons, with at post-walk gathering at the Town Bakery. The February 3 and 24 walks were cancelled because of rain, but we gathered nevertheless at Tutu's and Panera Bread coffee, food, and conversation.

The March walks are scheduled to commence at 9:00AM. RSVP to jriordan730@gmail.com. The **March 3** walk will meet at the west end of the Lafayette Reservoir parking lot and walk counter-clockwise along the loop trail; the post-walk gathering will be at the Tutu's. The **March 10** walk will meet at the Museum of the San Ramon Valley

(aka Railroad Museum) and walk north on the Iron horse Trail; the post-walk gathering will be at the Black Bear Diner. The **March 17** walk is TBD. The March 24 walk will meet in San Miguel Park and walk east along the Ygnacio Canal Trail; the post-walk gathering will be at Panera Bread. The **March 31** walk will meet at Inspiration Point and walk north along the Nimitz Trail; the post-walk gathering will be at Geppetto's in Orinda.

These walks are for individuals or couples, as spouses and significant others are encouraged to participate. The significant other/spouse is also invited to participate even when the member is unable to. SIR members, including those from other branches, wishing to join this mellow group or to be added to the email contact list should contact me at jriordan730@gmail.com or 925-284-3394. Also contact me if you wish to be removed from the list for future emails.

Mexican Train Dominos Richard Madden

Mexican Train" is a domino game which uses a set of Double Twelve Dominoes. From 2 to 8 can play. Each player draws 11 to 15 dominoes. The number of dominoes each player draws depends on the number of players. The object of the game is to play all your dominoes. When you draw your hand, you set it up so that the adjacent dominoes match. During the play of a round there are things that can derail your train so that you cannot play. This can make the game very interesting and a lot of FUN!

We normally meet at 10:00 AM on the second Wednesday of each month at the Church of Christ located at 500 Minert Road, Walnut Creek.

We have several members traveling during the first several months of 2023 so we probably will not meet until April. If that changes an email will be sent to our regular members so if you are not on our email list and would like to keep up with the latest let me know.

Please email me and if you would like to talk and I can give you a call. A notice will be sent out when the May plan is determined. Let me know if you would like to be put on our list.

You can contact Richard Madden, at maddenram@sbcglobal.net or 925.788.4223.

Wine-O-SIR Dave Havlik

The Wine-O-SIR groups meets everyother month. Contact Dave Havlik for information on the next

meeting.

Branch Activities

Walking Tours Greg Hughes

On February 25 the Walking Tours activity visited the Forest Home Farms Historic Park in San Ramon. The park features the David and Eliza Glass House, a Victorian era farmhouse that was in use from the mid 1800's through 1910. Participants also toured the tractor museum. The museum has over

20 tractors on display. Our docent described vehicles and discussed the tractor restoration process. After the tours the group enjoyed lunch at Clementines in San Ramon. Everyone was pleased with the event and they enjoyed the day.

Feb. 25th Walking Tour: Alan & Diane Fitzgerald, Nick Bowles, Marty Katz, Dirk Meyer, David & Jayne Harris, Mike & Sharon Schneider, Greg & Marilyn Hughes, Paul Bailey Gates & Care Kelvin's

Book Exchange Dick Kauffman

The Book Exchange is thriving. Many books are coming in and many books are going out. For those of you not familiar with the Book Exchange, we provide a free exchange of books with no paperwork and no hassle. Bring a book and take a book or take a book and bring a book to the next luncheon. That's it!

Sunshine Matt Arena

The Sunshine report has been temporarily suspended because Matt is on his own Sunshine list. Everyone is wishing him a speedy recovery.

Branch Activities

Book Group 2 Scott Clark

Although Biloxi Mississippi was known for its beaches, resorts, and seafood industry the area had a darker side. It was notorious for corruption and vice, gambling, bootleg liquor, dugs, and contract killings. The vice was controlled by a small group of mobsters. Keith Rudy and Hugh Malco grew up in Biloxi and were childhood friends. But as teenagers their lives took them in different directions. Keith's father became the local prosecutor and was the first DA to try to clean up the coast. Hugh's father became the boss of Biloxi's criminal underground. Keith went to law school and followed in his father's footsteps. Hugh preferred the nightlife and worked in his father's clubs. The book follows the inevitable

showdown, one what would happen inside a courtroom.

Some members felt the book was a slow read for the first half of the book; some members, having read other Grisham novels, felt this was not one of his better books. The ten members in attendance rated the book a 2.6/5.

Our next meeting will be March 16, Downtown Walnut Creek library, at 11:00 AM. We will be discussing Damascus Station by David McCloskey. All are welcome to attend, whether you have read the book or not. Questions, contact Scott Clark at 925-998-4553.

Golf Clinic Chris Doan

It is time to ask for your input on continuing to offer group golf lessons for SIR members and spouses. Nearly 50 golfers have taken advantage of the Clinic offerings in the last two years but we will need a new crop of interest to continue.

Please take a moment to email me (cdoan99@gmail.com) if you are interested in taking advantage of future offerings. In addition, please let me know what aspects of the game you are interested in. Our approach to date has focused on tuning golf skills, for both the physical and mental sides of the game.

Your input will help us shape the next series ... if we

don't have sufficient interest, however, we will take a long break and reassess next year.

We do have a very good, dedicated pro (Pete Asselin) who teaches at Diablo Creek Golf Course. The clinic is offered on Saturdays only due to Pete's schedule constraints. One hour group sessions are offered for \$30.

With sufficient support, we will plan to start the next Clinic series in June.

Pace of Play Reminder

We have recently added several new members to our golfing activity. Some are new to the game. Some are already aware of the importance of "pace of play". Our golf web page will soon be listing several items as reminders to enhance the pace of play.

Beginning with this edition, we intend to publish a "pace of play" reminder into future editions of the

Trampas Topics...

Here is this month's reminder:

Once in the fairway, be prompt in arriving to your ball, selecting your club, and reading your yardage.

Minimizing the time in preparation to hit your next shot can result in saving several minutes over the round.
